Welcome to the course information page, we hope the tips, advice and activities will give you an idea of what your course will be like when you join us in September!

You will be able to look at the course hand book which is also available on this platform to see what subjects you will be studying during your course; Units 1-7 are done in the first year.
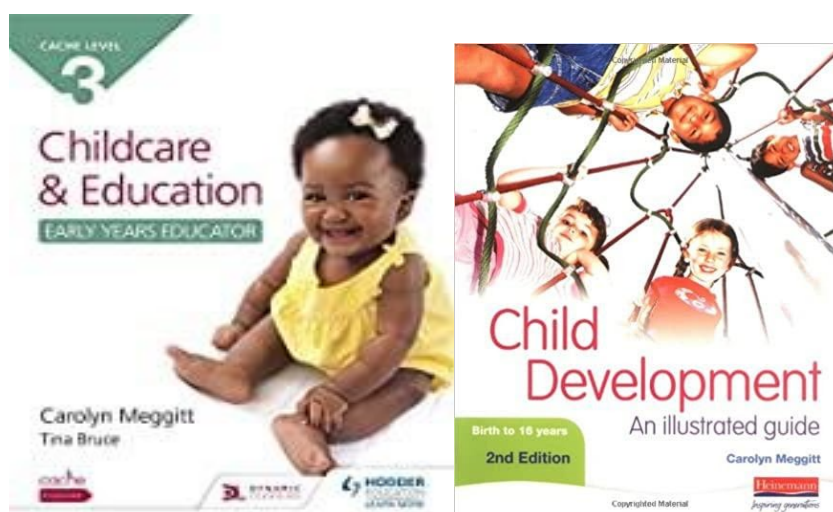

You may also enjoy doing the task set to help you to develop your activity planning skills: 'One Child's Interest' also available on this platform.

Below is the book that has been written to support you when doing your assignment work and I would highly recommend that you get a copy for your own personal use. It has lots of information for each unit you will study and lots of ideas for further reading which will be helpful when doing assignment work.

The Title: Level 3 Childcare & Education

Authors: Carolyn Meggitt & Tina Bruce.

ISBN Number: 978-1-4718-4316-7

Another very useful book is Child Development also by Carolyn Meggitt.

Other books you will find useful for planning activities and having fun with children are:

And for in the woods…
