About us

Our information, advice and guidance (IAG) qualified team is made up of teachers, explorers, foodies, forensic scientists, and more. But most importantly, we're further education experts, champions of equality and diversity, and here to help your students with their options. We are the School Liaison team, and we're here for you and your students.

Our free service includes providing information on each of the college's curriculum areas, updates on the range of courses, apprenticeships and T-Levels, and the choice of career options available to prospective students.
